Eol guidance notes

Please read these notes before completing the form

The expression of interest (Eol) form is intended to help you ensure that your Eol contains all the necessary information which, in law, must be provided for the Eol to be acceptable, and therefore to minimise the risk of rejection. You are not obliged to use the form to make an Eol, but its use is recommended. You are strongly encouraged to discuss your interest in taking over a service with us on an informal basis before submitting a formal expression of interest. Please see below for contact details.

Section 1

Type of organisation

In order for your Eol to be valid in law, your organisation **must** be a 'relevant body' as defined in section 81(6) of the Localism Act 2011. It is not necessary for all partners in a consortium to be 'relevant bodies', but the lead organisation submitting the Eol must be. If the lead organisation does not fall into one of the three categories listed on the form, your Eol will not be valid and will be rejected. The definitions of voluntary and community bodies provided in secondary legislation are broad and reflect their general characteristics rather than specific structures:

- A voluntary body is a non-public whose activities are not carried on for profit. It can generate a surplus provided it is used for the purposes of its activities or invested in the community.
- A community body is a non-public body whose activities are primarily for the benefit of the community.

Evidence that you are a voluntary, community or charitable body

The form of this evidence will depend on the type of organisation, but could include excerpts from your organisation's rules and character as registered with the Financial Services Authority, or from any clauses on aims and purposes in your articles of association. Please contact the Council prior to submission of your Eol if you are in any doubt about this section.

Consortium partners and subcontractors

The question on your consortium partners' and subcontractors' organisation type is optional and will not form part of the assessment of your Eol.

Section 3

How can you evidence capability?

This may be by reference to your resources or your experience, including any services you already run or have run. You could also make reference to plans and the capacity you are putting in place. If you are leading an expression of interest on behalf of a consortium, or if, in the event of a successful bid, you expect delivery of the service to involve subcontractors, you **must** answer this question, providing separate evidence of capability, for each of the organisations listed in Section 1 of the form.

How will you meet the needs of service users?

Please use this section to demonstrate that you understand service users' needs and show how you will deliver outcomes that meet them. You could, for example, refer to survey results, needs assessments and other forms of evidence prepared either by your own organisation, the Council or any other party.

What outcomes would you expect to achieve?

Please use this section to demonstrate the broader social, economic or environmental benefits of your proposal, which could include, for example, creating local jobs, improving skills, increasing volunteering opportunities or improving environmental conditions. You should try to show how your proposal would achieve better overall outcomes, either for service users and/or for the district as a whole, than if the Council was to keep the service in-house.

Submitting your EoI

In order for your expression of interest to be valid in law, you **must** provide details of your financial circumstances. To do this, please ensure that a copy of your latest audit accounts (or, if no audited accounts are available, a current balance sheet) is submitted with your EoI. If you are leading an EoI on behalf of a consortium, or if, in the event of a successful bid, you expect delivery of the service to involve subcontractors, you must submit a copy of the latest audited accounts (or a current balance sheet) for **every** organisation listed in Section 1 of the form.

You can submit your form electronically to sp5@blaby.gov.uk or by post to:

You are strongly encouraged to discuss your interest in taking over a service with us on an informal basis before submitting a formal expression of interest. Please see below for contact details.

What happens next?

Eols will be responded to within 30 working days. Where we receive all the information necessary for a decision, we will inform you of our decision. Where data is missing or unclear, we will contact you to request that information.

Acceptance of an Expression of Interest triggers a procurement exercise which is appropriate to the value and nature of the contract that may be awarded as a result of the exercise – it does not result in the simple handing over of a service.
